Letter No.3 dated 27th July 1941 from the Medical Officer, Victoria Hospital, Bangalore, to the Inspector-General of Police in Mysore, Bangalore.

With reference to your confidential D.O. No.238/39-40 dated 24th July 1941, I am writing this to state that Mr. B.K. Srinivasa Rao was a student of the Medical School, Bangalore, and he passed out in April 1940. While he was a student he had a tendency to Kleptomania. He served as an Honorary Assistant House Surgeon in this hospital for a period of six months. During the time he worked in this hospital, he was always found inattentive to his work, constantly absenting himself when he was posted for regular duties and used to shirk responsibilities. In view of the above, I am of opinion that the work of Mr. B.K. Srinivasa Rao was unsatisfactory and that he is not a desirable person for enlisting himself for an Emergency Commission.
